BUCYRUS, OHIO

...Dedication...

*T*O those, our beloved parents, who have with sacrifices offered us innumerable opportunities in order to strengthen our possibilities of developing into well educated, honorable, men and women, patterns of those who have so conscientiously reared us, we dedicate, as a small token of our unbounded respect and appreciation, this volume of the Bucyrian of 1931 until we are capable of more duly compensating them.

...Foreword...

THE goal toward which the staff has focused its intention has been that of preserving a record of high school life which in future days will stimulate interest and memory of time which, experienced, has drifted on in its fleeting course. An endeavor has also been made to change the character of the book by relinquishing many ideas used year after year, but still to maintain the spirit that accompanies such a publication.

ALMA MATER

*"To Bucyrus High we raise our song,
Oh school we love so well,
The name that sets our hearts aflame,
And makes our voices ring.
To Bucyrus High, our dear old high,
In praise our voices swell,
The scenes of happy High School days,
The Home we love so well.*

*Oh morning glow which gilds the east,
Oh sun which shines at noon
Oh stars which bloom at eventide,
Oh, radiant, glowing moon,
Look from the pathless, azure dome
And blessings from above,
Our High School halls and High School walls
The B. H. S. we love.*

*When from the fold we far shall stray,
With souls no longer young,
We'll ne'er forget our High School days,
Those happy days gone by,
And when our steps have feeble grown
Our journey a'most done,
E'en then with fleeting breath we'll praise
Our dear Bucyrus High."*

GIRL RESERVE CLUB

Chief Pilot Florence Kiess has admirably conducted us through another year of Girl Reserve activity. As president of our organization, she has been assisted in carrying out a new project by the other officers; namely, Nida Mae Holcombe, vice president; Margaret Foltz, secretary; Velma Wert, treasurer; Eleanor McMichael, program chairman; Anna Elizabeth Kantzer, social chairman; and Esther Bieber, service chairman. Our advisers, Miss Kathryn Meck, Miss Mary Porter, Miss Helen Gooding, Miss Evelyn Schieber, Mrs. C. L. Kantzer, Mrs. H. E. Kiess, and Mrs. L. Haigh were invaluable in their assistance.

Our theme for the year in general meetings was aviation. Each meeting was planned to illustrate some phase of this subject, such as "Gaining Speed", "Masters of the Air", etc.

The new project was the introduction of the hobby group system. The one hundred and forty members of the club followed their own inclination as to which of the

several groups they wished to join. These groups included sports, dramatics, handcraft, music, and literature.

Early in the year the cabinet of our club was invited to a friendship dinner given by the Girl Reserve cabinet of Mansfield high school. Ideas were gleaned in both directions for future use. Following this very excellent example our cabinet entertained at a dinner the cabinets of Mansfield, Galion, and Crestline Girl Reserve clubs. It was held on a regular meeting night so that the visitors might attend and, incidently, take part in the program. This was very appropriately called "The Pilots Pow-Wow."

Another new item was introduced into this year's program. On April 17th the club had a Sweetheart banquet, modeled, perhaps, after the Sweetheart banquets made famous by the Hi-Y.

Other special meetings included the Dads' meeting, Mothers' meeting, Alumni meeting and the joint meeting with the Hi-Y. As the saying goes, "A good time was had by all."

—Margaret Foltz '32

THE BLUE TRIANGLE CLUB

The Blue Triangle is an organization of eighth and ninth grade girls. This organization was organized in the fall of 1928 by some of the Girl Reserves. Now we have approximately one hundred and ten on the roll.

In the fall a few of the girls ushered and directed the ladies at the Women's Federation convention.

In December we had a Christmas party. A potluck supper was enjoyed, after which a play was given.

The Mother's party was held in May and the girls invited their mothers to this meeting.

The program committee divided the club into parts, so every person would appear on one of the programs.

The officers for this year were: Betty Myers, president; Ruth Mae Rosencrans, vice president; June Baker, secretary; and Wilma Ruth Virtue, treasurer.

—June Baker, '34

SENIOR HI-Y CLUB

The Senior Hi-Y club was originated in 1920. The base of the club which is more generally known as the four planks are: to create, maintain, and extend throughout the school and community high standards of Christian character.

Their yearly social event is the sweetheart banquet which is usually held in May. The club has three advi-

sers: Mr. Hagaman, secretary of the Y. M. C. A., Mr. Cook, president of the Second National bank, and Mr. Kramer, a teacher. There are forty-four members of the club and new members are taken in at the end of every year. The officers of the club are: Robert Ehrick, president; Emmett Lerch, vice president; Herman Rinker, secretary; and Willard Clady, treasurer.

—Herman Rinker '31

JR. HI-Y CLUB

The Jr. Hi-Y was organized in 1926 with the assistance of Mr. Allcroft, Mr. Gordon, and Mr. Cook. The purpose of the club is to create, maintain, and extend throughout the school and community high standards of Christian

character. The club has an enrollment of forty members who are Freshman and Sophomores and who have as their advisers Mr. Hagaman and Mr. Cope.

The officers of the year 1931 are:

Pres.,—Albert Kranich

Vice Pres.,—James Barrett

Sec.,—Kenneth Maudsley

Treas.,—Robert Martin

—Kenneth Maudsley '33

LITERARY CLUB

The school year 1930-1931 proved to be a most successful one for the newly-organized Literary club of Bucyrus high school. The same purpose, to promote interest in the various forms of modern and classical literature, was retained for this year. The club maintained the full quota of thirty members throughout the year, during which Elizabeth Weiss very ably served the organization as president; Aileen Philbin, vice president; and Velma Wert, secretary. Much of the success during the past year has been due to the faithful efforts of our advisers: Miss Ella Meck, Mrs. Willaman, and Mr. Havron.

Our bi-monthly programs, on the second and fourth Monday evenings, were the direct results of the efforts

of the various program committees. Our yearly program schedule was composed of the following themes: poetry, authors, education, ancient-medieval and modern literature, short stories, nature study, traditions on Thanksgiving, and a patriotic discussion.

Other than these we enjoyed a social meeting, a meeting for the entertainment of our mothers, and a Literary club tea. On Friday, February 13, 1931, the members of the organization presented an assembly program which was enjoyable to all.

This organization, now in its second year, is rapidly taking its place among the other prominent organizations of B. H. S.

—Velma Wert, '31

THE GIRLS' BOOSTER CLUB

The Girls' Booster club of Bucyrus high school was organized for the purpose of backing school activities and rendering assistance in every possible way. The club is composed of seven Seniors; Barbara Ryan, president; Anna E. Kantzer, secretary-treasurer; Florence Kiess, Geneva Fulton, Velma Wert, Alberta Schimmoler, and Dorothy Snively; and four Juniors: Margaret Foltz, Constance Haigh, Betty McPherson, and Mary Fligor. The members are chosen for their scholastic ability and participation in school activities. Miss Mary Porter is the very able club adviser.

The club took the responsibility of decorating the athletic field for foot ball games. They also planned a number of assemblies during the school year, sold basketball and football tickets, and ushered for the Elks' minstrel.

The principal social events were an early breakfast at the Country club and a Hallowe'en party at the home of Margaret Foltz.

Although this organization is rarely heard of or talked about, the members are always ready and willing to render assistance at any time.

—Anna E. Kantzer '31

BUCYRUS HIGH SCHOOL BAND

The band this year is a high mark in the history of the organization. This is due to the splendid cooperation of the members of the band and our most able director, Mr. J. C. Hazen. Never before has B. H. S. been represented by a band as large and as well balanced. A few of the many band jobs in which they participated were: the inauguration of Governor White, football games, Farmers' Institute, and concert programs on the square during the summer.

One of the biggest event of the year, was the Northern Ohio Band Festival held on May 1-2, at Fremont. Bands from Sandusky, Norwalk, Oberlin, Elyria, Fremont, Bellevue, Willard, Clyde, Fostoria, and Bucyrus assembled there.

BUCYRUS HIGH SCHOOL ORCHESTRA

The orchestra, an organization of forty pieces, is extremely fortunate in having Mr. J. C. Hazen as director under whose baton, it is rapidly moving toward greater activities.

The orchestra has appeared on numerous occasions; at night school assembly programs, and in the Commencement Exercises. The greatest event of the year was the All County Orchestra for the Community Institute. Two hundred and thirty-five musicians participated in this event. It was under the direction of Mr. Snyder and Mr. R. B. Smith.

THE GIRLS' GLEE CLUB

The year 1930-31 has been a very successful one for the Girls' Glee club under the leadership of Miss Edna Ulmer. At the beginning of the year the girls elected the following officers: Lois Wilhelm, president; Alice Quilter, secretary; Marjorie Olinger, treasurer; and Gertrude Miller, reporter.

The girls made their first appearance in their new uniforms, white dresses and red capes, white hose and slippers at night school and later sang at the County Teachers' meeting and Teachers' and Business Men's banquet. Officers elected at the beginning of the year were as follows: president, Robert Martin; secretary, Warren Spiegel, treasurer, Edward Haycook; news reporter, Robert Seele.

The Boys' Glee club has appeared in public performances several times, including assemblies. With the co-operation of the Girls' Glee club they made a success of

the operetta "The Lady of the Terrace", which was given in the latter part of the year.

We have a boys quartet composed of members from our Glee club. They are: Edward Haycook, Walter Strickler, Arthur Kiess, and Robert Martin.

We also have some boys in the Hi-Y quartet, including Roger Freriks, Robert Black, and Wesley Crum.

Because of absence, Cleo Miller's picture was not with the group.

DEBATE TEAM

*To those who have displayed a high degree of sportsmanship in spite
of victory or defeat, we dedicate this section.*

COACH PORTER

Miss Porter has proved to B. H. S. that she is a capable coach by the successful teams she turned out. She was always good natured and kept the spirit of the team high. She has shown a fine spirit of cooperation and we sincerely hope she is here to guide the destiny of girl's athletics next year.

COACH WINTERS

The "Fighting Redmen" are an inspiration to every loyal Bucyrian. But the source of that fighting spirit is embedded in the Redmen's chief. To him they have given their pledge of loyalty, because, they have learned to love and admire him. Coach Winters, has directed the destinies of our athletic teams for the past four years and the success with which our teams have met; due in no small measure to the ability of our coach to instill in our boys, our football and basketball machines, the determination, desire, and the will to win that is so character-

istic of himself. We are proud of you coach, and the athletic record you have won for B. H. S.. It is our sincere desire that in the future you remain at the stern of our athletic prow and achieve greater records for B. H. S.

ASST. COACH NUSSBAUM

When it was learned that Howard Nussbaum was hired for assistant coach, the players, students and town-people highly favored the appointment of the former B. H. S. star. It immediately recalled to their minds his many dazzling end runs, perfectly timed forward passes and several clever returns of punts. As a player, his reputation was made. But there is a marked difference between playing and coaching. However, it was only a short time until he had convinced every one that he was capable of doing the latter, as well as the former. As Coach Winter's assistant, he worked in harmony with the coach's plans, cooperated to the fullest extent and gave willingly of his time to promote within the high school better athletics.

We hope he is with us again next year.

1930 FOOTBALL SEASON

When school began and the football candidates were called, somewhere between thirty and thirty-five boys reported. This was all too few considering the size of our school and the population of our town. Most of these were small and inexperienced boys, as graduation took a heavy toll from last year's squad. Then the squad membership dwindled from week to week until only twenty-five boys remained on the squad. Most of the time it was impossible to have a scrimmage and had it not been for some loyal alumni athletes who scrimmaged the varsity each week, the results of the football season would have been vastly different.

But for those boys who did stay on the squad all season, let me tell you right now that they were a real bunch of

boys. They were eager and willing to learn, faithful and regular to practice, always remembering the code of the sportsman and having determination to win.

This year's team had the distinction of being the first B. H. S. team to ever play a night football game. It was played at Ashland and ended in a 13 to 13 tie.

The season can be remembered as a very successful one considering the team's lack of knowledge concerning the game. Each week the team showed improvement and played a better brand of ball. The Ashland, Findlay, Galion and Shelby games were the high lights of the season and during these games the team showed it was made up of "Fighting Redmen."

28 BUCYRUS AT CRESTLINE 0

In the curtain riser of the 1930 season Bucyrus downed the Crestline team on a very warm afternoon. The fighting redmen outplayed their opponents in every phase of the game thus permitting Coach Winters to use his entire squad which was very green most of whom were beginners. Much credit must be given to Coach Winters and assistant Coach Nussbaum for placing on the field a team which was made up of nearly all green and unexperienced players and yet preformed so well for the first game. The redmen showed that they had a driving offense and a defense that was able to hold in the critical moments. Pope and McMillen, both beginners, and playing their first game showed lots of natural ability and earned a place on the first team.

6 BUCYRUS AT BEXLEY 13

On September 27th the Redmen journeyed to Bexley. Without a doubt this was the poorest played game of the season. The Redmen seemed to have no offense or defense whatever. The line was constantly breaking through and missing tackles back of the line of scrimmage. The only exciting part of the whole game was a 55 yard run by Talbott made on a spinner play. The band followed the team to the game and in the afternoon the team and band attended the Ohio State vs. Mt. Union game. The band played several selections at the stadium and was given a big hand by the spectators.

9 MANSFIELD AT BUCYRUS 0

In a game played under good weather conditions the Redmen lost the second game to the Mansfield team. The game was hard fought throughout, with both lines playing a great brand of football. The Bucyrus line, on several occasions broke through and tackled the runner causing him to fumble. Seele who played left end made some beautiful tackles, when going down under punts. The Mansfield tallies came as a result of a field goal in the first quarter from the 25 yard line, and a touchdown in the start of the second half on a drive starting from the kick off. The team played as one unit and showed great improvement from the week before.

13 BUCYRUS AT ASHLAND 13

On October 17th the Murrmen played hosts to the Bucyrus Redmen in a night football game which was played on the Ashland College field. This was the first night game played by any Bucyrus team. It proved to be a thriller for both Ashland and Bucyrus. In the first quarter both teams battled on even terms neither scoring. In the second quarter the Wintersmen started a drive which resulted in a touchdown, being made by Miller in a surprise play. A minute later Ashland was forced to kick, the ball being down on Bucyrus 40 yard line. Another drive was started by Bucyrus which resulted in a touchdown being made by Miller on the same play. An Ashland man being offside gave us an extra point. With but four minutes to play, Ashland started a rally which resulted in two touchdowns and an extra point caused by a Bucyrus end being offside, thus tying the score. Oberlander and Miller displayed brilliant work on the line, breaking through and spilling the Ashland backs for nice losses.

0 MARION AT BUCYRUS 22

The Harding team came to Bucyrus with the intention of ruining a perfectly good Dad's day, but were forced to go back to Marion greatly downhearted. In the early part of the first quarter Seele broke through and tackled a Harding ball carrier back of the goal line thus giving the Redmen a safety and two points. In the big second quarter Talbott, Bucyrus quarter back, scored three touchdowns and kicked two goals, by the aid of the good blocking of Clady. Paxton, a guard, proved in this game to be a good defense man, by breaking through and making some vicious tackles back of the line of scrimmage. In the second half the Redmen continued to outplay the Harding outfit but were unable to score. In this game the team showed steady improvement thus gaining the confidence of the football fans.

7 FINDLAY AT BUCYRUS 7

After a week of rest the Redmen put a wonderful brand of football against the big Findlay outfit, one of the strongest teams in the state. Early in the first quarter McMillen broke through and blocked a Findlay punt, giving Bucyrus their first chance to score. We failed, but a few minutes later a drive was started from our own forty-five yard line with Pope carrying the ball on every play. In five nicely executed plays, Pope carried the ball to the one yard line where Talbott carried it across the goal line, and also kicked the goal. In the last quarter Findlay started a drive which netted them a touchdown and made their kick good for the extra point thus tying the score. The Wintersmen played the best game of the season against the Findlay outfit. Much praise must be given to Coach Winters for building up a defense to stop the visitors type of play consisting of six different formations, sweeping end runs and long passes.

6 GALION AT BUCYRUS 7

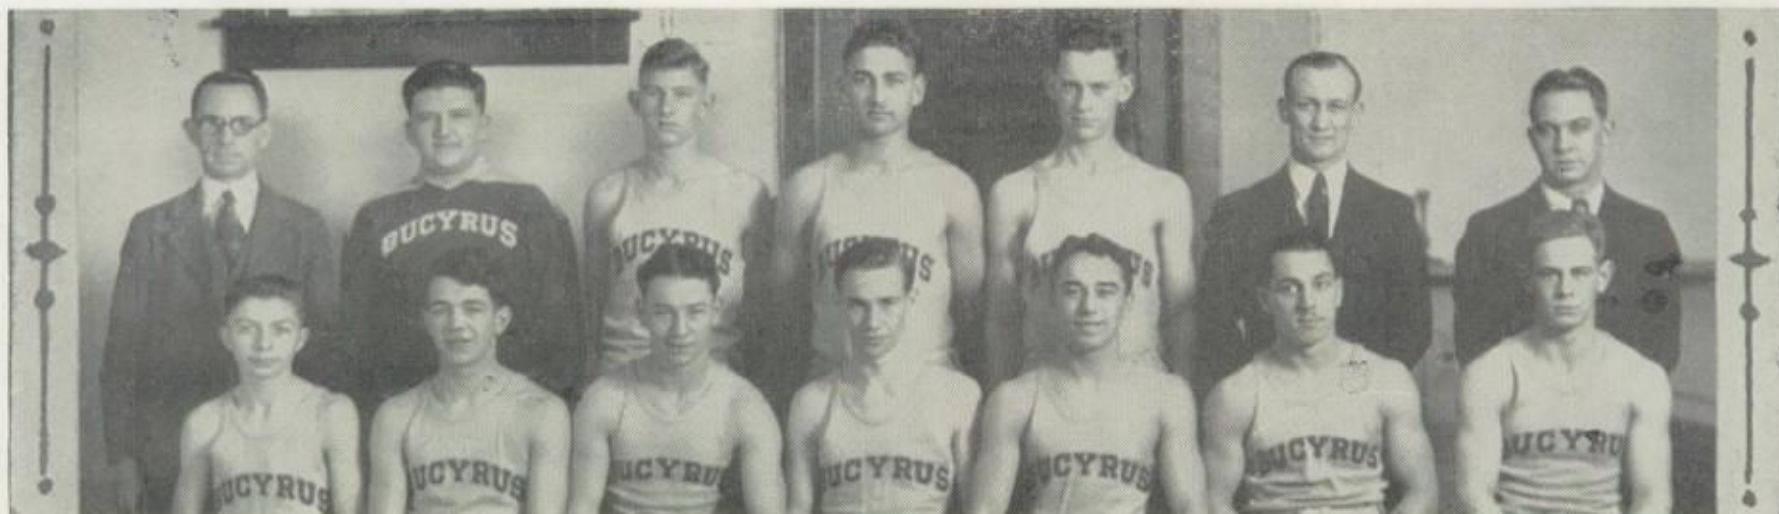

On November 15th Bucyrus played host to the strong Galion team. The first quarter turned out to be a punting dual with the Redmen gaining on each exchange. In the second quarter the punting dual was resumed, as neither team seemed to be able to get its running attack functioning properly. The half ended in a score-less tie. At the start of the third quarter Galion displayed a good offense and on a play through the line a Galion back ran for a touchdown, but failed to make the point. Both teams then fought on even terms until the last few minutes, when the Redmen started passing desperately. When all seemed in vain La Pointe, Bucyrus right end, leaped up in the air and caught a pass that looked impossible to get and fell over the goal line for the tying score. The point was made good and thus the Redmen won the game.

6 BUCYRUS AT SHELBY 0

For the last game the Redmen journeyed to Shelby. The Shelby team although occupying a cellar berth in the league displayed some unknown power against Bucyrus. The hosts had a strong defense although the steadily improving Wintersmen were able to gain without much trouble. Late in the third quarter a drive was started which resulted in a touchdown, with Pope carrying the ball over. Shaffer and Fegley were the strong defensive men in this game because they were constantly causing lots of trouble for the Shelby offense. There was no comparison between the way the Redmen played this game and the way they played at the beginning of the season, which only shows that Bucyrus had in Coach Winters and assistant Coach Nussbaum two men who worked hard and handed out a lot of football and a group of boys that were willing to learn.

BASKETBALL 1930-31

At the beginning of the basketball season all of us were wondering what the prospects would be for the season. As in football several boys from last year's squad would not be with us again. Thus, the team was handicapped and lacked experienced players, or leaders.

The boys managed to win their first two games, but after that the league competition was found much harder. Try as they might, they just simply couldn't hit the basket and naturally you must make baskets if you want to win games.

So the basketball season closed with probably the poorest record ever to be made by a B. H. S. team. Like the business cycle, so are athletics, they have their ups and downs and sorry to say but this year we parallel the business depression which is decidedly down.

Only one boy is lost to the team through graduation so the rest of the boys have a chance to redeem themselves next year.

On December 12 the Redmen opened their season on the home court by defeating Bellevue by the score of 20 to 12. The game was slow and uninteresting. Seele showed ability to score by getting five baskets.

The following week the Redmen went to Fremont and won their second and last game of the season. Ward's guarding was the bright spot of the game. Score 20 to 12.

January 2 the team played Ashland there in the first league game for both teams. Talbott lead the scoring with three baskets and a foul. Ashland had a powerful

team and after the first quarter outclassed the locals. Score 30 to 16.

On the following night the varsity played the Alumni who completely walked off with the high school team. Ten players from each team played in the game. Score 36 to 20.

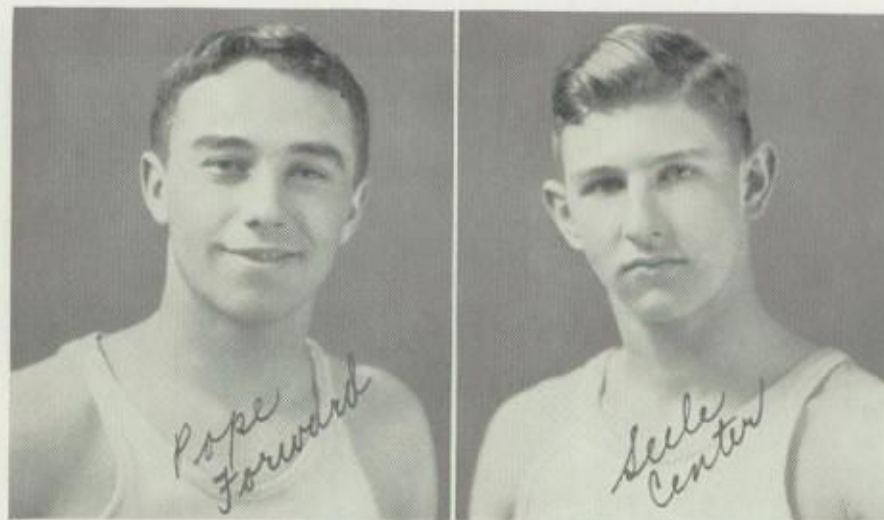

January 9 the team played Shelby there. The game proved to be a thriller although Bucyrus lost. The Redmen staged a last half comeback which nearly meant victory. Clady played a nice game getting five points. Score 17 to 10.

The following week the locals went down in defeat by the score of 20 to 8. The Redmen were only able to score two points by fouls the last half while Marion was getting 10 points. This was the worst exhibition so far.

The next night we find the Redmen playing Findlay at Findlay. Bucyrus lost the game 27 to 18. Barrett played a good game and also scored five points.

January 23 the Varsity played the best game of the year against Mansfield. The score was close throughout. A rally was started in the last part of the game by two beautiful shots by Talbott. Talbott was also able to hit the basket on previous occasions in the game, getting seven baskets and two fouls for 16 points. Score B. H. S. 28 to M. H. S. 30.

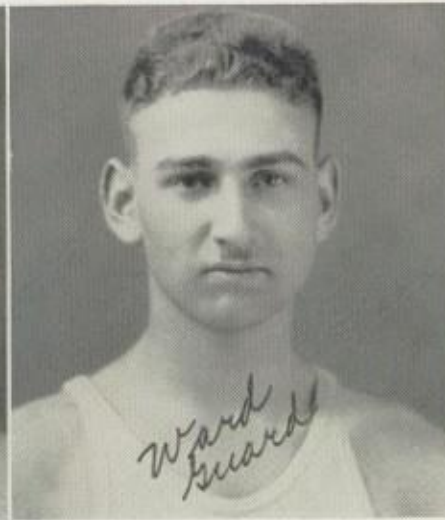

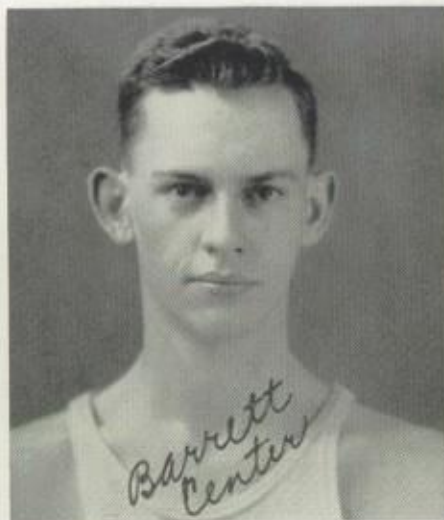

The following week the Redmen showed a wonderful brand of basketball, the first half holding the strong Galion outfit to a 11 to 11 tie. But during the last half the locals were only able to get a single basket while Galion got twenty points. The game ended 31 to 13.

Feb. 6 Ashland came to Bucyrus to start the second round. The Redmen were up in front until the last quarter, when they hit a slump and scored but a single point while Ashland scored 10 points. The game was featured by the good floor work of Pope. The final score B. H. S. 10, Ashland 31.

The game the following week was a duplicate of the Ashland Game. After leading Shelby for three quarters, the Redmen lost in the last by the score of 15 to 25. Miller's good guarding helped keep Bucyrus in the lead for three quarters.

Another second half defeat was handed the Redmen at Marion. B. H. S. led the game at the half 13 to 11 but were in the rear 20 to 30 at the end of the game. The varsity seemed to have lacked the punch to play a whole game of basketball.

On Feb. 24 Galion came here with a clean slate for the second game and kept it clean with a decisive victory, 37 to 13. The Redmen were unable to do a thing with the Galion defense. Galion had in Burnison and Hockstra two men that accounted for 30 of Galion's 37 points.

Mansfield and Bucyrus tangled on Feb. 27 for the final league game of the season and the Redmen made a record of losing ten straight league games and 12 defeats

in all. The Redmen fought hard but were unable to defeat Mansfield. Score B. H. S. 15 M. H. S. 27.

Oberlander and La Pointe played well at guard. Although they were short, the two boys were in to everything.

In the Class A Tournament held at Bucyrus March 6th and 7th, Bucyrus drew Mansfield for the first game and were defeated by the score of 30 to 25. This concluded the Redmen's season.

THE SQUAD

Seated-left to right—Goldsberry, Caton, Fritzinger, Monnett, Pierce, Coach Porter, Kissling, Haller, Skeen, Norris, Robertson,

Standing—Light, Jr. st. mgr., Tyler, Fligor, Baker, Haigh, McAdams, Fac. Mgr., Foltz, Lohr, Miller, Smith, Darling, Sr. st. mgr.

Proving themselves good sports and hard fighters, the members of this girls' basketball squad came through with seven wins out of ten starts. Such determination to give their best for the high school is very commendable.

The girls have learned that defeat goes along with victory in any game, whether it is basketball or life and also

that it is only through cooperation and team work that anything can really be accomplished. "Hard work and fair play" was the motto ever before them in their games.

Much new material has been discovered this year and this combined with stars of the inter-class tournament spells more victories for Bucyrus High.

GIRLS' BASKETBALL

With the undefeated season of the preceding year as an inspiration, the Bucyrus Redmaids entered into the basketball season full of enthusiasm and determination.

The season, which provided the spectators with much pleasure as well as excitement, turned out to be a very successful one. The Redmaids won 8 out of 10 games.

The first game of the season opened with Chatfield. Because of overanxiousness to win the girls became but-fingers, but luck was with our fighting Redmaids and

the final score was 24-23. Esther Kissling proved herself a very good find for B. H. S. and displayed her ability to play basketball in this game.

The following week our girls traveled to Carey and here added another victory to their list. The game was an easy one and every member of the squad was given a chance to play. The game ended with a score of 33-21.

Led by the fighting center, Mary Lohr, the Redmaids won from the Alumni. Mary "knows her basketball" and proved it throughout the whole season.

One of the most interesting games of the season took place the following week when the Redmaids met their old rivals, none other than the flashy sextet from Fremont. This game was a disputed one but ended at a tie 40-40. Freda Haller, one of the regular players, played a game which proved her ability to play basketball. Her consistent shooting and passwork did much toward the successfulness of the season.

Meeting a team which proved to be a strong one, the

Redmaids managed to chalk up another win. This game with Findlay gave the spectators plenty of thrills and the final score was 26-24 in favor of the locals. Up to the last fifteen seconds to play the game was decidedly a tie but Mary Pierce dropped in an unexpected basket. Mary was high point scorer for the team this season and also elected honorary captain at the close of the season.

The following week the locals met Upper Sandusky. The game was a good one and ended in favor of the Redmaids. The final score was 37-21.

Then came the waterloo of the season. The visitors from Medina managed to give the undefeated locals their first taste of defeat. Never was a more exciting game ever witnessed by B. H. S. The hard fought game ended 27-29 for the visitors. Virginia Monnett stellar guard led the locals in their fighting attempt to win. But all was in vain.

The team visited Willard the next week. A mighty tough battle ended with the big end of the score in favor

of the Redmaids 23-29. Mary Caton, one of the star guards, led the attack. Mary played real basketball the whole season.

Meeting their old rivals, Fremont, for the second time this season, the locals chalked up another win to their credit. This game, as the preceding ones, was one of excitement. When the final bell sounded the score stood at 31-23 for the Redmaids. Kathryn Baker, one of the guards on the team, is well deserving of the letter she received.

The last game of the Redmaids ended in a loss for the locals. The fast sextet from Liberty gave the Redmaids their second taste of defeat. The final score was 24-27. Margaret Foltz, another of the local guards, made a name for herself by displaying her brand of basketball.

Through all these games substitutions were made and much credit goes to the other members of the squad,

Cleo Smith, Constance Haigh, Ruth Fritzinger. These girls furnished competition for the first team and also gave their contribution toward winning these games.

Even though two of the games were losses for the girls, everyone came to the conclusion that Mary Porter's team was really in a class by itself. We wish much success to the teams in the oncoming years.

SENIOR CLASS GIRLS BASKET BALL TEAM

For the first time in the history of the class the girls have become the champion team of Bucyrus high school.

In the very beginning every girl on the team made up her mind that she was going to make her class be the winner of the interclass tournament, and she fulfilled her task in great fashion.

The Senior class had the disadvantage over the other teams in the fact that there were only thirteen girls out for positions and the majority of them were guards.

The team had a fighting spirit from the beginning to the end and it was the cooperation and splendid sportsmanship that kept them at the top of the list all during the tournament.

The girls started at the beginning and worked with interest on their signals. They had one meeting and three practices before the tournament started.

Their scores were very much higher than any of the other teams they played except the game in which they

played the eighth graders. The girls were not up to their standard in fighting spirit and consequently the game was very close to being a defeat.

The following are the scores of the games they played.

BOY'S INTERCLASS CHAMPIONS

The Class of 1931 was represented by a group of boys, who were willing to cooperate with their coaches in developing a team that had very little difficulty in winning the interclass championship for the first time in the history of this class.

From the very beginning, there was not much doubt in the minds of the spectators as to the final out come of the tournament.

TRACK

Track, though only in its infancy at Bucyrus high school is interesting more boys each year and by another spring it is hoped that track and field athletics will be stamped in as a major sport in Bucyrus' Athletic curriculum. The new track, which is rapidly nearing completion is expected to spur enthusiasm among high school students and town-folk alike. This and the making good of two members of last year's track squad will stimulate many new aspirants for places on the team this year.

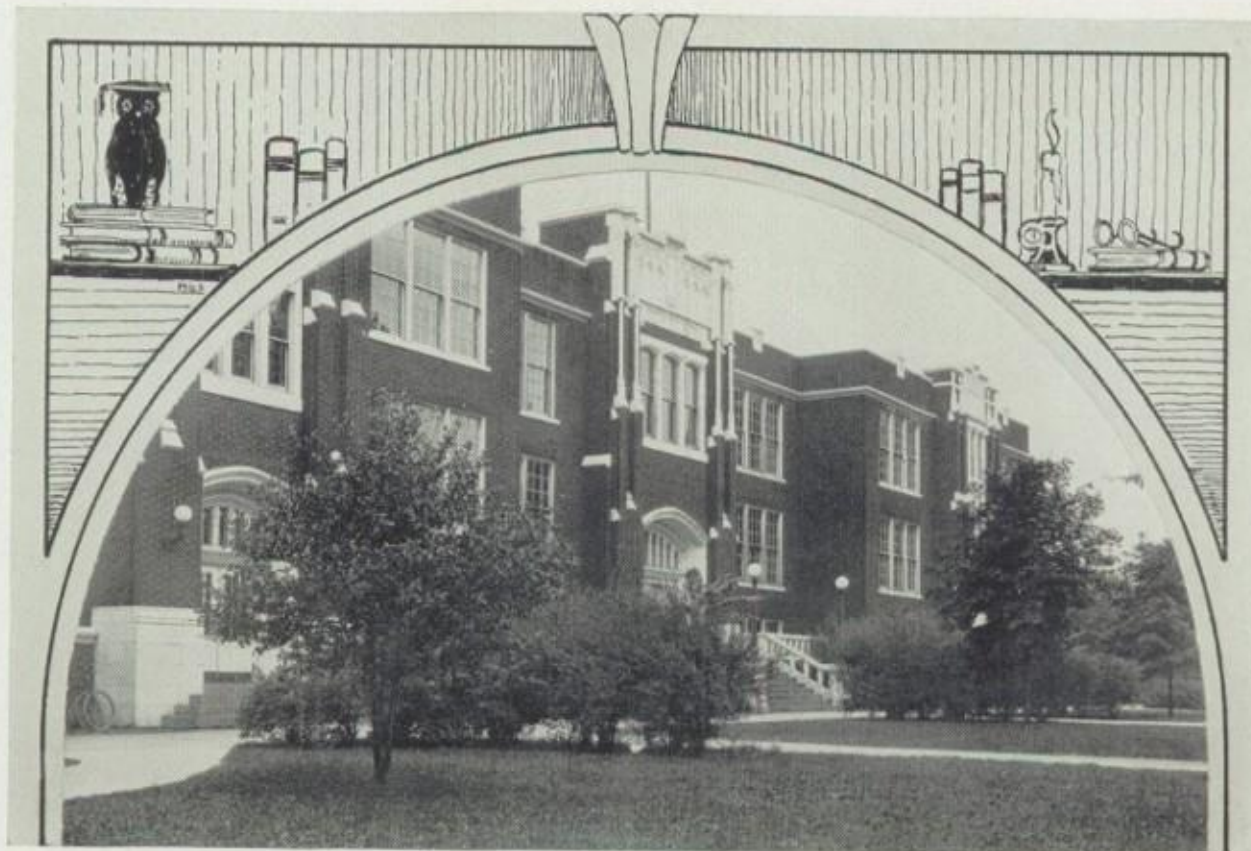

Last spring four boys earned letters from participating in three meets. Two of these were district ones, including some of the best track talent in northern Ohio; the other meet was a dual affair with Kenton, from which Bucyrus emerged victor by two points. Gordon Gray, junior, placed second in the mile at the district meet last year and is expected to win the event this year. He snagged seventh place in the C. A. C. indoor meet at Cleveland March 21, with eighty-seven contestants competing. Others who made letters last year are: Richard Krotz, senior, weight and dash man; Willard Talbott, junior, weight and dash man; and Luther Baumgartner, pole-

vaulter and javelin thrower. These fellows are all back this year and are training intensely for the coming Mansfield relays.

Other boys who have a chance of making a name for themselves in competition are: Foreman, dashes; Ross and Wiley, middle distance men; Pope, Ward, Kline and Barrett in the weights; Clady, Bradstock, D. Gray, Carlisle and Cullen in the distance runs; and Miller, Seele, La Pointe, together with many junior high boys have signified their intentions of "trying out" as soon as basketball becomes dormant.

As yet there are no dual or triangular meets scheduled, but many schools have put in bids for meets at Bucyrus in the advent of finishing the track in time. It is hoped that at least four smaller meets can be arranged for the tracksters before they enter tough district and state competition.

Frederick D. Cope, Mt. Union graduate and present holder of the State 2 mile record, is coach of the team.

SENIOR CLASS HISTORY

We, the class of '31, regret very much that our high school days are about to close. However, we cannot linger so we will have to move on and leave the coveted name—Seniors—to the classes that are still to come.

In September, 1927, we entered B. H. S. as "Freshies." Although we were not allowed to organize that year, we chose Mrs. Earl Gordon as our adviser to whom we owe much of our success. On March 9, we held the Freshman party which was the big social success of the year. A picnic at Seccaium park in June brought this year to a close.

The next fall we resumed our duties as "Sophs." Our class organized for the first time with Emmett Lerch, president; Virginia Monnett, vice-president; Florence Kiess, secretary; Richard Krotz, treasurer. Our class was well represented in athletics during the year. The biggest event of the year was the class party held on Friday, March 15. Much praise must be given to the committees headed by Geneva Fulton, menu; Esther Bieber, decoration, and Mary Caton, entertainment, who made this delightful party such a success.

At the beginning of our Junior year we organized with the following officers: Donald Blair, president; Geneva Fulton, vice-president; Florence Kiess, secretary; Willard Clady, treasurer; and Mr. McAdams, adviser. On May 16 the seniors were welcomed "Aboard Ship" by Captain "Don" Blair. This was the big event of the year, the

Junior-Senior reception. The banquet hall represented a ship dining room and the table appointments and programme were carried out accordingly. The committees in charge of this affair were: program, Florence Kiess, chairman; menu, Nida M. Holcombe, chairman; decoration Anna E. Kantzer, chairman; eligibility, Barbara Ryan, chairman; and the table and chair committee, David Henderson, chairman. We wish to express our appreciation and thanks to Mr. McAdams for helping us to make this such a success. Our Junior year closed as did the preceding year with a picnic at Seccaium Park.

We returned to B. H. S. in the fall of '30 as Seniors. We elected Kannel Ireland, president; Margaret Wentz, vice-president; Alberta Schimmoler, secretary; Billie Goebelt, treasurer; Mr. McAdams, faculty adviser. Again our class was well represented in both football and basketball and also on the debate team. At the beginning of the year we were told that it would be impossible to have an annual, but through the cooperation of the class and the efforts of our adviser, Mr. McAdams, we were able to publish an annual thereby retaining this custom in B. H. S.

We have been loyal to dear old B. H. S. and as commencement time draws near, we bid farewell to the things that have been so dear to us, and carry with us many cherished memories.

—*Alberta Schimmoler '31*

THE LAST WILL AND TESTAMENT OF THE MOST HIGHLY DIGNIFIED SENIORS

Oh hark, oh hear ye all, this last will and testament of the worthy class of the year of our Lord, nineteen hundred and thirty-one, who are now finishing their most looked for parole from the imprisonment of twelve most humble years. The offense being in not having the ability to conquer the nouns, pronouns, verbs, dates (?), the desire to count on the fingers, the longing to hand in illegible masterpieces, etc., etc., how many have overcome these weaknesses as yet, I ask ye?

To whom it may concern:

Unto ye Superintendent Dietrich, we will furnish Amos 'n' Andy fresh-air taxi's (incorporated) for ye students to change classes in fifteen seconds.

For our Principal Baer, we leave a list of barber shops specializing in doughnut haircuts.

Unto Miss Mills, a most worthwhile book, "How to Think" by Wudja Thunket.

For our dignified history teacher, Mr. Havron, a petition drawn up by ye students of Bucyrus high school whereby all tests, exams and quizzes are declared J-U-N-K.

Unto our caveman Borts, a guaranteed method of getting sassy students out of the room quickly, namely, through the wall.

We bequeath unto our music teacher, Miss Ulmer, a revised music book, "Hot Tunes and Dances", by Boop A. Doop.

Unto Miss Wise, we leave a rat terrior so that when she leaves the room the dog can terrorize the terrors of her classes.

For Miss Winegartner, a correspondence course on fairy dancing.

Unto the most deserving Junior class we bequeath the best seats in the auditorium to be taken by our lower classmen at our many assemblies.

For our Sophs, we leave a new Yell whereby they can ring in their slightly awkward, "Soph-o-more."

Unto our windy, shiftless, freshmen, a nerve tonic with which they may settle themselves and become more dignified, even if it is impossible.

We bequeath unto our seventh and eighth grades a delightful model for their many happy remaining years.

And as such, in ye solemn presence of witnesses, we of the Senior class do ordain and establish this mess of words, (false).

CLASS PROPHECY

Come with me and I will tell you
Of a class of might and prowess
Of a class so prepossessing
That you wonder where their bearing
Where their knowledge so enthralling
Could be gained by such a number.
Then one listening recognizes
B. H. S. a term endearing
To the class of one and thirty
As I wondered in a garden
Rare and quaint and sweetly smelling
Chanced I on a tall tree smiling
And I gazed in rapt attention
At its beauty all surpassing
As with wondering eyes I pondered—
Each bud in its turn did open
Opened to disclose a blossom
To a world of mortals given
In a cluster, nodding gayly
Were a group of women graying
With the heavy problems weighing
Of the state and nation's youth
One there was Virginia Merkel
Known within the halls of honor
And the others Edith Morehead
Dorothy Snively, Elizabeth Ulmer,
Heads of state departments claiming
That the youth of today were gaining
On the youth they knew in '30—
To the right and near them bending
From a pulpit of his choosing
There stood Wenner, beloved pastor
From a high branch towering o'er them
Called the lawyer, Kannel Ireland,
In the chattering group beneath him
Were Weiss, Wentz, and Whittier.

Older grown but talking ever
As in youth we always found them.
In a field of true endeavor
Toiling ever for another
Moved our Cynthia, a teacher
Of true faith and real devotion
Eldon Guinther, a new Burbank
Prospered well from early training
In the halls of Norton's record
With his riches and his name
And a noted Prima Donna
(Faith we knew it would be likely
Trilled her notes of love and daring
To make happy those about her—
It was Wilhelm, you'll remember
Wilma Spiegel too plays for her
Martha Yost is traveling with her
To keep count her many duties
Then I saw a golf professional
Margraf with his fairest pupil
Pride of him and his golf teaching
Was Monnett, a world famed player—
Nida Mae and Elmer Shaffer
Who had braved the storms together
Still were whispering terms endearing
There was Florence Kiess, an author,
Famed, renowned but unassuming
In her ways of gentle living.
A professor and a teacher
Stern but kindly in his manner
Was Paul Kennedy the master.
On a branch above the others
Perched Alberta little heeding
Those about, she was climbing
With her plane into the heavens.
And a clown hailed from a circus

Known to all as William Saffel
 With his mimicry resulting
 In lilt and joyous laughter
 Of a group of merry makers
 Safe and sound from money worries
 Were Loree, Edna, Lucile and Marie
 Teachers of the state now pensioned.
 In policeman's garb was Reber,
 A successful man was Parsel,
 And a foreign correspondent
 Ranking well, was our friend Olive
 Early fancy did foretell her
 And a voice—Valee's excelling,
 Floated out upon the breezes
 Coming from the throat of Rinker
 Filling all the world with gladness—
 Barbara Ryan with honor famous
 In the field of mathematics
 And a spinster tall and stately
 Much to our surprise and wonder
 Was our own Virginia Mullen
 Wesley Grove with pen and pencil
 Had become a news reporter.
 And a dude boiled from the city
 That we knew as Denman Harrod—
 David Henderson, an actor
 Graetz, his friend an able artist
 Talking to the young Grim owner
 Of a paramount production
 Margaret Elberson, a model
 Of Parisian fashions posing
 Moved with grace among the others.
 There was Cooney high in favor
 With all women of his city
 For on foot that measured seven
 Shoes of five he feign was fitting

Mary Caton was director
 Of a camp for all young lasses.
 And James Carson was a printer
 For Augustus Adams, owner
 Of a syndicate of papers
 Telling all the news of nations
 Warren Spiegel too is with him
 He delivers all the papers,
 Now an ice cream dairy running
 Baumgartner with skill surpassing
 Who with Esther Bieber coupling
 Have the greatest fun together
 On a branch so far outspreading
 Sit a group of matrons fairest
 All have launched in wedlock now
 Mrs. Kelly, Quaintance, Auck and Grover.
 Then in noble work excelling
 Find we one La Nora Spain
 Nursing is her greatest passion
 To the fairest of all men
 And her sister nurse is Fulton
 One who helps them in their work
 Is no other than friend Berry,
 Blair we see in advertising
 Wert and Fidler are his typists
 Corwin also helps that way
 O'er the air with static growling
 Rings the voice of Hollenbaugh
 Who announces the arrival
 Of Lybarger softly playing
 To the crooning of our Neuman.
 On a branch all glittering high
 Burns some names of Broadway's fame
 Our own McMichael fine in acting
 Was the rage of all show goers
 Talbott as a dancer graceful

Into all our hearts has flamed.
On a branch not quite so artful
Smith was hard in politics
And to help him on his journey
Was a liquor agent Darling (J.)
Kantzer now as executing
In a bank of greatest prestige
Secretaries had she plenty
Seyler, Nickler, and Patterson.
At the left and near them swaying
Healy, Hall and Gubernath
Were debaters so excelling.
Raymond Zipf a fluent salesman
For the famous Zanol products.
On the lecture platform speaking
Is our Brooks with voice that's mellow.
Wrestling with the state's great problems
Now works Philbin an economist
On a branch of strength and courage
Is the engineer K. Walters
Dreher and Seitter his assistants
They do much to build our world up.
National fame has touched our Mary
Who did "Pierce" in all athletics
Clady too a coach that's worthy
Every team is one of non-defeat
Robert Spiegel now a major
In the great and famous West Point
On another branch, E. Lerch beamed
Now a healer of the best kind
Krotz and Darling now are sharing
All life's worries, both together
So demure and unpretentious
Betty Crall does work in office.
Ivory keys are all talking
By the touch of master fingers

Made by Alexander gifted
Good and Hanover and Hilborn
Now have made their own life work
Nursing cats so friendless living.
Helping often with some flowers
Ehrick now a horticulturist
Heinlen is his able helper
Boyer now is only selling
Gasoline of highest making
In a station owned by Beam,
Who has made the greatest of success.
In a beauty shop exclusive
Owned by Sheaffer ever helping
Those who seek rejuvenation.
On a branch of lawyers famous
Sits our Winklefoos so stately
With her secretary, Walker,
Taking notes of all proceedings
One branch hidden by the rest
Was our Tallman so successful
With his recreation parlor
All the time I stood to ponder
On the scene spread thus before me
Strains of music soft and tender
Floated out upon the air
But I knew such fairy music
Was the work of human hands
And I saw enthroned before me
All the artists grouped together
There were Goebelt, Ley and Stailey
Filling all the world with gladness.
So at last I turned and left them
Left them as I found them there
Knowing time had blessed them all
In all ways beyond compare.

JUNIOR CLASS HISTORY

As we, the Juniors of this year, look back upon the past years spent in B. H. S. we realize that they have been our happiest.

In September 1928, we entered the high school as Freshies and although we were a little frightened and awed by this title, we soon overcame this and took our place in the social life of the school. When the time came for the big event of the year, the Freshman party, we chose Miss Ann Niederheiser as our adviser. The party was held in the high school cafeteria, which was decorated with our class colors, blue and gold.

The following year, with the more advanced title of Sophomores, we re-entered the school with the hope of achieving even more than we had in our first year. This we did in both social life and athletics. The Sophomore party, in the form of a dance, was a great success, and the class picnic which was held later in the spring was enjoyed by all. In class basketball both the boys and girls took first place, thus bestowing more honors on our class.

This year as Juniors and upperclassmen, we were permitted to organize; the officers elected were: president,

James Frey; vice president, Virginia Kanode; secretary, Constance Haigh; treasurer, Frederick Baerkircher; and class adviser, Mr. Elmer Kramer. The money for the Junior-Senior reception was raised by the profits derived from selling of refreshments at football, basketball games and the class picture show—"The Silent Enemy."

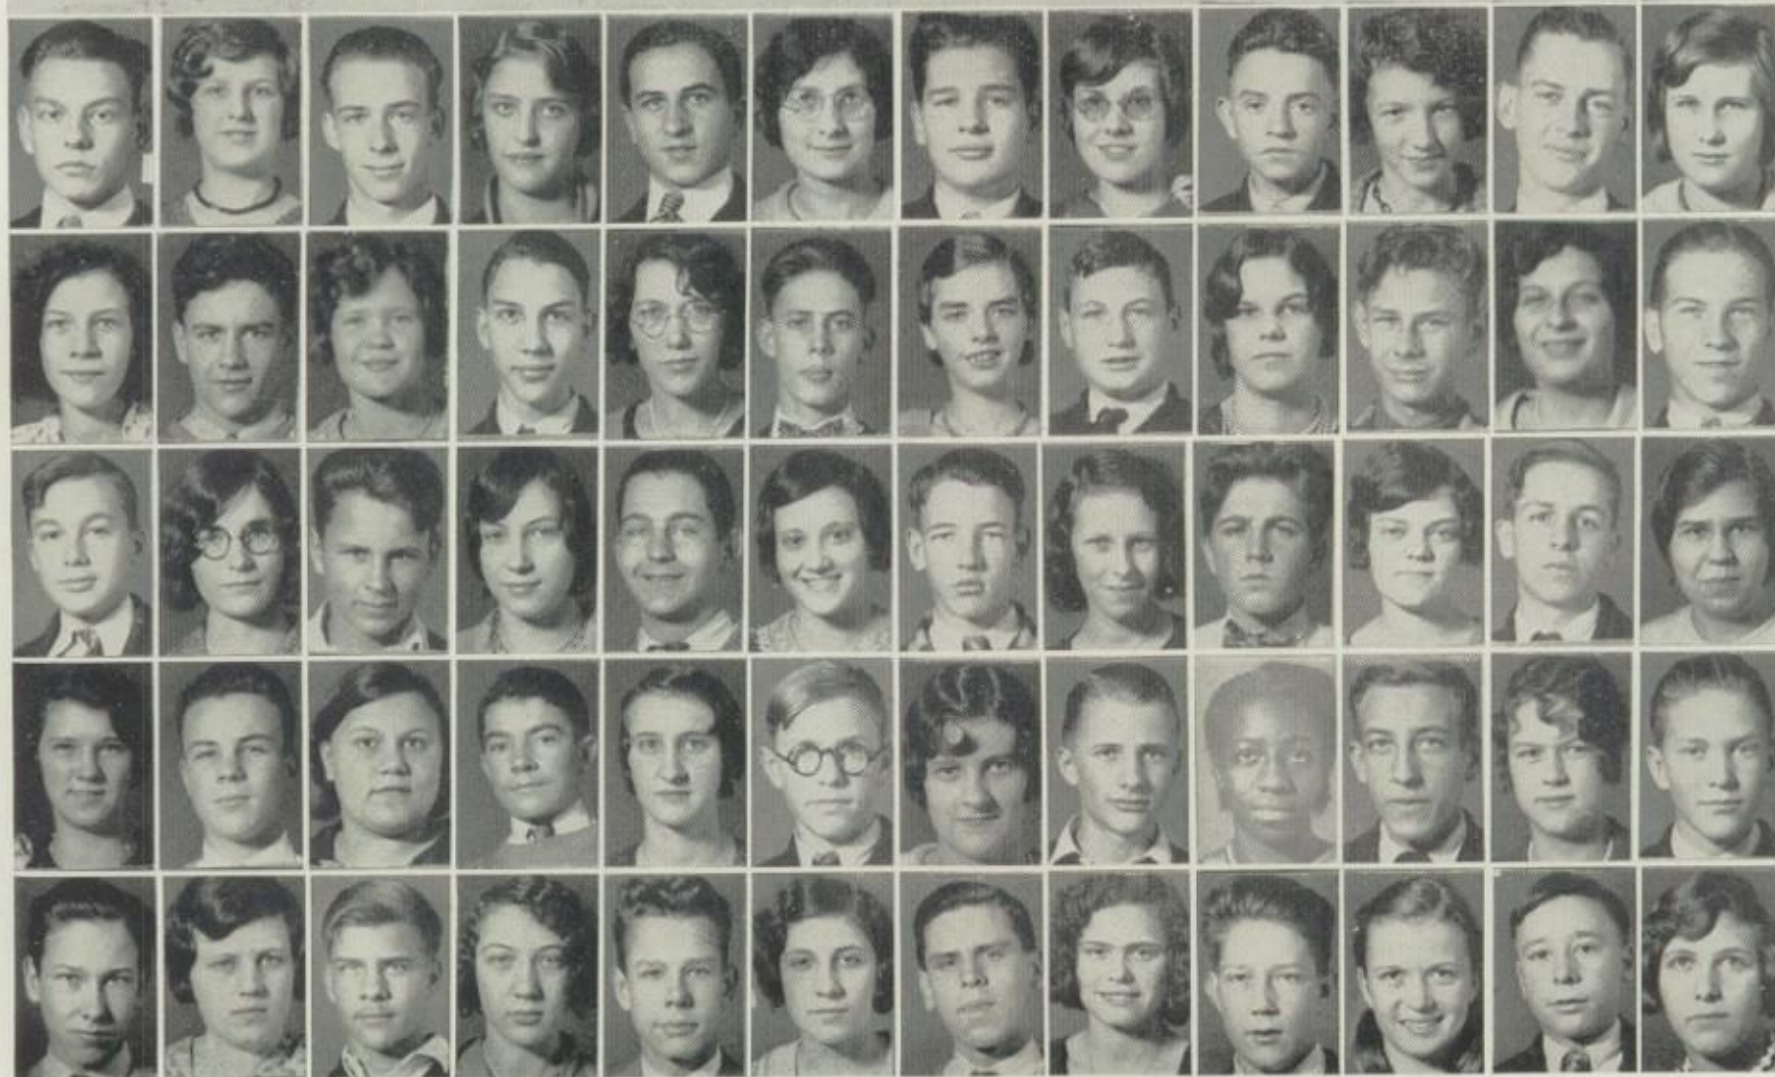

The reception held May 15, was the most brilliant event of our high school years. The committee chairmen who were responsible for its success were Arthur Kiess, decoration; Robert Rexroth, program; Virginia Kanode, orchestra; Constance Haigh, menu; Clara Jane Light, budget; Robert Seele, tables and chairs; and Dorothy McAdams, eligibility. These chairmen were ably assisted by the members of their committees and the Junior class as a whole. We wish here to express our deep appreciation to Mr. Kramer for his valuable efforts in our behalf.

In athletics as well as campus activities we have been to the front and during the last seasons have had a great number of letter men.

And now, as we near the close of our Junior year we can look forward to a still more successful year in B. H. S.

...The Work is Ended...

THE work is ended and the staff dreams happily of the leisure ahead but each thought is tinged with a pleasant memory of the toil during the past year.

We rejoice in the excellent spirit of cooperation that all times has characterized the work on this book.

In undertaking the publishing of this Bucyrian of 1931, we assumed an enormous responsibility; a task made severe by precedent. In full realization of our job and with the mighty desire to succeed we have put forth our greatest energies in the hope of offering to you this Bucyrian, a book that you will always cherish.

In passing we must not forget to express our sincere appreciation to the loyal citizens of Bucyrus who, financially, assisted us to make this book possible.

We also wish to express our appreciation to:

The Messmore Studio, Lorain who furnished the pictures for grades seven to ten.

The Dozer Studio, photographer and The J. W. Hopley Co., printers, for their splendid cooperation, at all times, in assisting us to get this book completed at this early date.
